

*Nicole writes:*

Greetings from New Jersey! Lucky and Buttons are doing very well. They have been keeping very busy! Lucky loves going on walks, running around the backyard and cuddling up! For Halloween this year, Lucky dressed up as a hotdog and his sister Buttons was a witch. Everyone thought they looked very cute! They just celebrated Thanksgiving with all of the family and are very excited for Christmas- especially their presents! We'll keep in touch, woof woof!!
